PRINCIPAL'S REPORT

Citizen of the Term

Congratulations to the students who have been nominated as 'Citizens of the Term' for their classes.

The Citizen of the Term is awarded to students who consistently demonstrate the PYP (Primary Years Programme) 'attitudes' of appreciation, commitment, confidence, cooperation, creativity, curiosity, integrity, respect, tolerance, empathy, enthusiasm and independence.

This is an achievement that they should be very proud of as it encapsulates the attributes we all aspire to throughout our lives.

How many of us can confidently say we regularly display these qualities?

Well done to our fabulous citizens!

Toilet Block to be Demolished

The old toilet block will be demolished during the term break. Yes, I can hear you saying, "It's about time!"

The demolition of the toilet block will enable the quicker completion of the new building, as it partly overlays the site. The new building has two new sets of 'indoor/outdoor' toilets. In the interim, relocatable toilets have been installed on the school site until the completion of the project. These will be in use at the beginning of next term.

Term Break

I take this opportunity to wish all our teachers and students a well-deserved term break. For those parents who are able to spend a bit more time with their children, I hope you enjoy having some fun and enjoyment with them.

I thank our teachers for their continued commitment to the learning of our students. Thanks to the parents who support our endeavours to make MPS the best school it can be.

Have a safe break and see you next term.

Prep/STAR Enrolments, 2018:

Enrolments for 2018 have commenced. School tours have also begun and will continue over the coming weeks.

Please call the school office to book a tour.

VISUAL ARTS - ART SMOCKS

Many children from all grade levels are coming to Visual Arts without protective clothing. Please ensure that all children have an **old shirt** or **art smock** at school. Mod 3 and Mod 4 classes will be using fabric paints and dyes during term 3 and 4 and these products will stain clothing permanently.
